Offers on whole birds were moderate to heavy on very spotty and selective buyer interest. Floor stocks were adequate to heavy; weights desirable to occasionally heavy. Parts prices continued weak on boneless/skinless breast, fully steady to firm on wings, and steady on dark meat lines. Supplies of wings were tight, tenders mixed, and all other parts moderate to heavy. Retail demand was slow to moderate at best. Food service was light to instances fairly good, best activity was into resort areas and some fast food.
